

PRACTICE ARENA EVENTING

Sunday 24th January

Due to the inclement weather we have had to make the decision to run just the jumping phase of our Arena Eventing competition and cancel the dressage phase. We need the arena to be in tip top condition for the jumping and unfortunately we have lost many hours due to the snow. As this is the first event of this type at Eland Lodge we want to ensure that the fences and ground are perfect on Sunday 24th January and we also respect that competitors may well have had insufficient time to practice their flatwork prior to this event. We apologise for any inconvenience caused and on this occasion will be running the event as a Practice Jumping event with heights of fences as follows:

Mini 70cm 10am – 11am

Training 80cm 11:30am – 12:30pm

Intro 90cm 1pm – 2pm

You may enter on the day: £10 for the first round, £5 for an extra round

Body protectors must be worn.

Jumping Phase: Will be held on our all-weather arena. There will be show jumps followed by a variety of working hunter and portable cross country fences. An optimum time will be set for the full course. The rider should proceed immediately from the show jumps to the cross country jumps; there will be no second bell. Body protectors must be worn.
